

Running a local car breakers?

It's a **criminal offence** to collect, carry, store or break vehicles without an **environmental permit** – even if you're doing it off the back of a truck.

Most breakers in this area have a permit.
Are you one of the few that don't?

Don't lose it all. **For free advice and a fresh start call 03708 506 506** or google 'elv guidance'.

Show us **you're** trying and **we'll** help you all the way.
