

Environment
Agency

Don't think you're a car breaker?

Removing parts like batteries, wheels and cats still counts as **breaking**. By law you must have an **environmental permit**.

You've already invested in **your business**.
Don't **lose it all** by forgetting the paperwork.

For free advice and a fresh start call 03708 506 506
or google 'elv guidance'.

Show us **you're** trying and **we'll** help you all the way.
